

## High Holiday Youth Programs (2024/5785)

During the High Holidays, programming is offered for children and teens, **ages 0-grade 12**. This fun, spiritual and educational opportunity will provide the younger members of the congregation with their own age-appropriate holiday experience.

All activities will be held in the school wing. Upon arrival, please check in with the staff at the table in the entrance of the school.

**We require that ALL children and teens who are not in services attend their age-appropriate program.**

**Babysitting fees are \$10 per child, per day. Pre-registration is required.**

***Please return this form to the synagogue office no later than September 16, 2024.***

For the health and safety of all children and adults we request that any child with symptoms suggestive of illness (e.g., runny nose, fever, cough) be kept at home to avoid contagion.

Babysitters are not responsible for changing diapers. Parents are required to regularly check their children's diapering needs.

As applicable, kosher snacks will be provided for young children. Do not bring any food into the synagogue. If your child(ren) has/have specific dietary requirements, please list that on the registration page.
